Retractable & Window Awnings

Enjoy the Outdoors
Your KE Durasol Retractable awning provides a high level of UV protection, allowing everyone to stay outdoors longer without concern of the harmful effects of the sun.

From full-featured awnings to affordable entry-level models, the Retractable family of awnings has what you’re looking for. Providing on-demand solar protection, Retractable awnings expand your home beyond its walls. With the touch of a button or spin of the crank, these awnings transform your deck, patio, or terrace into an attractive and comfortable expanded living space.

TÜV SÜD Certification Marks are issued to demonstrate compliance to international standards or TÜV SÜD’s own requirements. They can be used as a marketing tool such as hang tag, marking etc. on the end product.

**SUNCATCHER & SUNCATCHER II**

The SunCatcher® & SunCatcher® II are traditional style units used for home and business. This window awning accents entrances and windows and can also block the sun’s direct light while reducing radiant heat absorption. This attractive unit may lower monthly air conditioning bills and prevent unnecessary replacement costs of faded carpet, drapes, and furniture.

**SPECIFICATIONS**

- Unit Width Range: SunCatcher: 3’ - 20’
  - SunCatcher II: 3’ - 10’
- Unit Projection: SunCatcher: 2’ - 5’
  - SunCatcher: 2’ - 3’
- Mounting: Wall Only
- Frame Color: White Only
- Operation: SunCatcher: Stationary or Retractable
  - SunCatcher II: Stationary or Retractable (drop & projection must be the same for retractable)
- Framework Warranty: 5 Years

*Subject to change without prior notice

**SUNCATCHER DOME & DOME II**

The SunCatcher® Dome & SunCatcher® Dome II are traditional favorites which add additional interest and elegance to any home or business. These window awnings accent entrances while blocking the sun’s direct light and lowers radiant heat absorption. This style awning may reduce monthly air conditioning bills and prevent damage to interior furnishings caused by harmful UV sun rays.

**SPECIFICATIONS**

- Unit Width Range (Dome & Dome II): 4’ - 10’
- Unit Projection: SunCatcher® Dome: 2’ - 5’
  - SunCatcher® Dome II: 2’ - 3’
- Mounting: Wall Only
- Frame Color: White Only
- Operation: SunCatcher® Dome - Stationary or Retractable
