KEDRY

KE THE RIGHT CHOICE

FOUR IMPORTANT REASONS TO CHOOSE KE

KE
ENJOY THE OUTDOORS

BAT GROUP:

Thanks to KE's experience and strong organization, we are a leading company in the field of retractable awnings and stationary products. KE is part of the BAT GROUP, a multinational company which guarantees positive synergies between materials, innovation and choices. KE is always investing in research in order to reach new solutions to improve functionality and elegance.

DESIGN:

The aim of KE designs is to achieve the optimal integration between the architecture and protection needs. Our design department is constantly involved in innovative research to add value and preserve the quality of the outdoor environment.

KE PATENTS:

KE offers innovative, operational and patented techniques. All the KE shading systems come from creative ideas which offer unique advantages in application and durability.

LONG-TERM INVESTMENT:

KE uses only the finest materials available from around the world to produce truly superior additions to your customers' home. Our advanced manufacturing and skilled craftsmanship technologies ensure KE customers will receive the highest quality products possible.
